It's Time to Clean Out Your Attics!

The 2011 Spring Aspen Village Garage Sale will be taking place May 20-21. Please plan to participate. This year we have coordinated our sale with that of West Lakes so we are hoping to have more success!

Trees Along Aboite Center Have Been Removed?

The Aspen Village Board met with two experts (Doug Brown, Doug's Tree Service, and Tom Myers, Arborist) to discuss the trees previously along Aboite Center. Their recommendation was to remove the trees as they were not a desirable variety for the location and continue to be a nuisance to the surrounding properties. We have taken their recommendation under advisement and the trees have been removed. The board will continue discussions and plan to make a recommendation later this year regarding suitable replacements.

Message From The President.

It is that time of the year again, with Spring-time here and the boating / camping season around the corner. Just a reminder, as stated in the covenants & restrictions of Aspen Village, “**No parking or storage of trailers, boat trailers, boats, and trucks shall be permitted on any lot in this addition**”.

We have always in the past allowed forty-eight (48) hours in the spring to prepare and in the fall to clean / put away for the season. Be cordial to your neighborhood.

Aspen Village Website

As you may or may not know, Aspen Village has a website which you might find very helpful. Please take a moment to visit aspen-village.com. You will find a schedule of association meetings, newsletters, association codes and covenants and many other helpful links.

Community Recognition

Through the winter months many of the sidewalks throughout the commons area were plowed open and made passable. This was all done by one of our fellow neighbors in our community. We would like to thank Alan Falk for taking his time to accomplish this.
