Message From the President

Recently, there have been many reports of residents walking their dogs and not cleaning up the waste left behind by their animals. Please remember it is very disrespectful to not clean up your animal's waste material. In addition, it is actually against city ordinance and you can be fined by the city. This goes for any waste left in the common area or any other resident's property.

Aspen Village Website

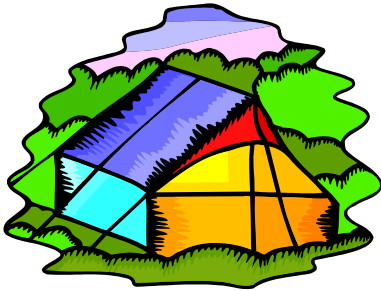

As you may or may not know, Aspen Village has a website which you might find very helpful. Please take a moment to visit aspen-village.com. You will find a schedule of association meetings, newsletters, association codes and covenants and many other helpful links. We are in the process of keeping current in a timely manner.

Restrictions Violators Around the Neighborhood

The restrictions state "No Parking Or Other Storage Of Trailers, Boat Trailers, Boats, And Trucks Shall Be Permitted On Any Lot In This Addition" There are several residents who have boats & trailers parked in the driveways or beside their house. It is an unwritten rule that has been around a long time that allows a resident forty-eight (48) hours to have a boat / trailer in the community. This intended to be in the spring & the fall for preparation for the season or preparation for storage. If you are a violator, be prepared for the new policies and procedure for dealing with violators. There are no exceptions. The restrictions are for everyone in the community to adhere to. The restrictions are designed to improve and maintain the aesthetics of Aspen Village.
